

# Nelson Model Aero Club

## Key Holder Agreement

---

I \_\_\_\_\_ (print full name) Hereby agree, with my signature below and by payment of a **\$40 key deposit**, to the following terms and conditions. I understand that if these conditions aren't adhered to then the club has the right to insist on the return of the key.

- The key given to me remains the property of the Nelson City Council and is loaned to me on behalf of the Nelson Model Aero Club Inc.
- This key has been entrusted to me and I will not duplicate, loan it, exchange it, or allow its use or possession by any person, other than so named above.
- I will report its loss, theft, or destruction immediately to the club.
- If the key becomes lost, stolen, or otherwise not available for return, I understand that I will lose my key deposit.
- This key is loaned to me as long as I am a financial (subs paid) member of the club, and should my membership expire, then I agree to return the key forthwith to the club for a refund of my key deposit.
- I understand that the key has been loaned to me, so that I have the privilege of drive-on access to the Wakapuaka Sand Flats, and will only make vehicle access to the area for the purpose of flying model aircraft.
- While using the Sand Flats I will respect and ensure the safety and protection of the area, in accordance with the council, club and MFNZ guidelines. I will only drive and park in the areas designated to us by the Nelson City Council.
- I will inform the club of any change of address, and should I move out of the area or for any other reason that may affect my key holder status.

These terms and conditions are defined to meet the requirements of the Nelson City Council and to protect NMAC member's long-term access to the Wakapuaka site.

I have read and accept the Terms and conditions outlined above:
